ABOUT THE COMPETITION:

"Language is information and information is everything"

Since the inception of human civilization, we have found various methods to communicate our thoughts, where language has played a crucial role in unifying civilizations. In order to understand the rich culture of a nation one needs to understand its ancient texts by the way of its native language. On the auspicious occasion of Hindi Diwas on 14th September, Lucknow University Moot Court Association through 2nd Atal Bihari Vajpayee National Hindi Debate Competition aims to elucidate the significance of Hindi language not only in India but also in the world. Through this endeavor we strive to seek answers to the question whether or not Hindi language has lost its charm to English in the recent wake of the L.P.G.- Liberalisation, Privatisation and Globalisation.

Thus we urge the bright minds of our country to come ahead and put forth their opinions against or for the motion.
