# About

The Conference

Global Law Assembly Conference is the Flagship International Law Event organized by Internationalism. The first edition of the Conference was held in 2020 as The Juris En Conference on International Law, 2020. The conference intends to achieve participation and celebration of research and policy ideas related to the domains of contemporary international law & relations.

Global Law Assembly

Global Law Assembly is the Advocacy Forum run by Internationalism, which effectuates on policy leadership central to contributions published by the team of Internationalism Research.

# About Internationalism

Internationalism is a Research Think-tank, which is committed to research avenues in international law, geopolitics and constitutional policy. Since 2019, we have been committed to innovative and helpful research avenues through our publications and research programmes.

## Sessions of the Conference

There will be 3 kinds of sessions we would be having for the Global Law Assembly Conference 2021 in the coming 4 days in February 2021.

## Internationalism General Assembly

A Democratic Forum committed to discussing contemporary policy issues in the realm of international law, policy and relations.

## Track Presentations

Sub-event open for discussing research ideas and policy papers during the conference. Open for research scholars and law + policy students.

## Panel Discussions

Sub-event where experts and young scholars would be participating and discussing advanced contemporary research issues related to international affairs and legal policy.

# Internationalism General Assembly

Internationalism General Assembly is the Democratic Forum within the Global Law Assembly Conference, 2021. The forum invites students, professionals and institutions/organizations interested and experienced in International Law and Policy. The forum this year will be organized through online means for the 4 days of the Conference. From the selected members, a President and a Vice President shall be elected through nomination or self-candidature.

# How to Participate?

## Internationalism General Assembly

- Your participation and endorsement of policy solutions will be recorded, and the best solutions proposed by the Internationalism General Assembly will be compiled in a Special Report, which will be shared with Government Agencies, Private Organizations and other relevant actors.
- Furthermore, certificates of recommendation for participation in the AI General Assembly shall be provided to the students who are selected to participate.

- Students must be pursuing an undergraduate/postgraduate course in a registered university and can belong to any country. In the case of applicants from India, students from only UGC-recognized universities can participate.
- The Student has to [click here](#) and apply thereby via their CV. No mail requests shall be accepted.
- The Student has to register through the Google Form linked to the Website.
- Based on the nature of the application, the Student will be selected to participate in the Internationalism General Assembly from February 11, 2021 to February 14, 2021 using virtual means in the Global Law Assembly Conference, 2021.
